AUGUST 2010

We are delighted to welcome you to **Seer Green Baptist Church** this summer, whether you are visiting or you worship with us regularly, we pray that you might find God in our midst and feel the touch of His Spirit upon you as you hear His word.

During August we are looking at five key personalities from the New Testament. These are friends of Jesus who had their lives transformed by spending time with Him. They are James, John, Peter, Thomas and Philip.

It is our prayer that we shall see lives become transformed through this holiday season as we worship Jesus Christ here in Seer Green and as we serve Him through our Seniors' Summer Specials and our Children's Holiday Club.

We are called to go and make Christ known to the world, so we rejoice in the opportunities we have before us and we pray for those of our fellowship who are serving the Lord at various summer camps around the country.

Pray with us that Christ will build His church.

"Let the peace of God keep you in tune with each other, in step with each other. None of this going off and doing your own thing. And cultivate thankfulness. Let the Word of Christ – the Message – have the run of the house. Give it plenty of room in your lives. Instruct and direct one another using good common sense. And sing, sing your hearts out to God! Let every detail in your live – words, actions, whatever – be done in the name of the Master, Jesus, thanking God the Father every step of the way."
