SEER MINISTRIES is seeking new trustees to join the charity and help develop the work and take an active part in making the charity more aware to both local and national Christian organizations to aid funding.

Seer Ministries currently prints around 70,000 "Word For Today" booklets each quarter and distributes them freely to the churches and individuals in Romania. The vision has always been to expand the work into other Eastern European countries. Following the resignation of David Carruthers due to ill health, we now wish to expand the team.

Please contact either - Barry Richardson, Tim Cox or Howard Measham to discuss.

Do collect a copy of Paul & Lynne's "ROUND-UP" – available today under the Mission Board
